

LUCID

FUTURISM

LIFE ULTIMATELY CONTINUES IN DREAMS.

AUTHOR • FUTURIST • CREATOR • SPEAKER • WORLD BUILDER

Lucid Futurism is an Afrofuturist multimedia franchise exploring dreams, consciousness, storytelling, technology, comics, and human potential.

Through books, film, live events, education, and community engagement, Akili Damone Hight inspires audiences to imagine boldly and build the future.

ABOUT AKILI DAMONE HIGHT

Akili Damone Hight is an author, futurist, worldbuilder, content creator, and speaker. He bridges pop culture, technology, spiritual consciousness, and storytelling to empower dreamers, creators, and visionaries.

His debut novel, L.U.C.I.D. – Life Ultimately Continues In Dreams, introduces a new kind of superhero and a cosmic universe rooted in purpose, identity, and limitless potential.

AT THE CORE

A storyteller with a mission
Weaving science fiction, mythology, and Afrofuturism into transformational stories.

A builder of worlds and community
Creating experiences that connect, educate, and inspire across generations.

A voice for the next generation
Engaging young minds through comics, education, and empowerment.

A visionary shaping the future
Exploring the intersection of dreams, technology, and human potential.

RECENT HIGHLIGHTS
